

CLEARDECK

SYSTEMS LTD.

Below Deck Solar Blanket Systems

Conventional Solar Blanket Reel Systems can **clutter** your deck, **obstruct** your view and are also **difficult** and **cumbersome** to use.

Notice the *Cleardeck Difference!*

Cleardeck's System makes solar blanket **invisible** when not in use and permits **instant storage**, all year round.

Below Deck Solar Roller

By CLEARDECK SYSTEMS LTD.

When the Sun Goes Down . . . The Blanket Must Go On!

Why use a *SOLAR BLANKET*?

Saves Water and Chemicals

- Covering your pool reduces chemical use and water loss through evaporation. That is good for the environment and your pocketbook!

Saves Money in Heating Costs

- During the day, solar blankets act as a solar collector, increasing the temperature of the pool. At night, solar blankets dramatically reduce heat loss in your pool by up to 90%.

**SAVE ENERGY
SAVE THE ENVIRONMENT
THINK GREEN**

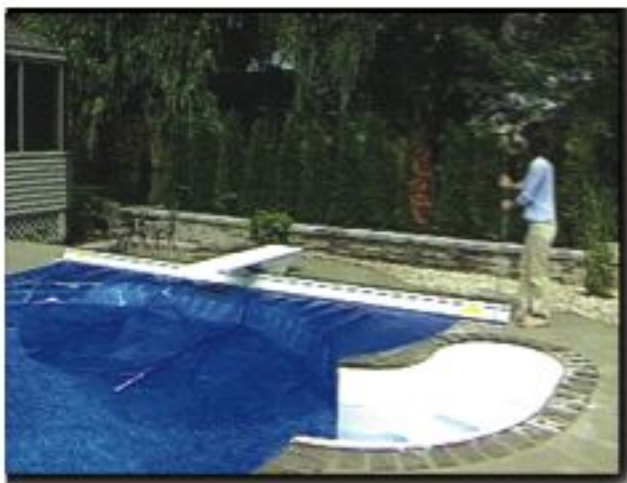

THE CLEARDECK SYSTEM ADVANTAGE

EFFORTLESS SINGLE PERSON OPERATION

Our roller system is so simple to operate that you will enjoy using your solar blanket. You can keep your swimming pool warm and realize all the benefits of solar blanket use.

Roll up the cover and swim

Cover the pool when you are done

Why use a Cleardeck Solar Roller?

Can be installed in new or most existing pools of any size and shape.

Allows the pool and landscaping to be the focus of your backyard.

Can be installed with any type of deck material (cement, tiles, interlocking pavers, stone, and stamped concrete)

Less wear and tear and UV exposure therefore extending the life of the Blanket.

RETURN ON INVESTMENT

No other pool accessory can offer a guaranteed payback to YOU!!!

Can save \$100's of dollars a month on heating, water and chemical usage by using your solar blanket and our Cleardeck Solar Roller makes it easy!
